

## CCLS Receives Donation from Woman's Club

The Crystal River Woman's Club has always been a supporter of libraries. A library for community use was set up in their clubhouse and in 1963 was transferred to the "Crystal River Public Library" which the club helped found. On behalf of the Coastal Region Library, Crystal River and the Homosassa Public Library, Helen Lefave, President, and Lucy Ann Wines, Treasurer, present a \$500 check to Flossie Benton Rogers, Library System Director.
